COLLEGE REPORT FOR THE YEAR 2018-19

JSS College for Women, Kollegala was established in the year 1983. The College is affiliated to the University of Mysuru, Mysuru has been recognized under section 2 (f) and 12 (B) by University Grant Commission. It is one of the four degree Colleges in the Town, the other three are being a Government First Grade College and two unaided private institutions. Ours is the only college imparting higher education exclusively for women.

The College has been in the forefront of various endeavors to change the education scenario in this town, especially in the field of empowerment of women by imparting quality education. Though rather young in age, it has proved itself to be a centre for excellence and an instrument for providing quality education in higher education and usher to bring socio-economic and cultural change. Started in a small building with an initial strength of 23 students and 5 teachers, the college moved on into 3.96 acres of land, the present campus is surrounded by greenery and designed to suit the modern higher education. The institution is located in the heart of the town . At present the strength of the college remains 500 , of which nearly fifty percent belong to SC, ST and OBC. The institution is running the programs: BA, B.Com, BBA and Post Graduation in Master of Commerce (MCOM).

Higher education to women is incomplete without a hostel facility more so in the rural areas. Kollegala being a border taluk and many students coming from remote parts of hilly areas there was an urgent need of a hostel for women in the campus. It was fulfilled by the JSS MVP with UGC grants of Rs. 80 lakhs and its own funds of Rs. 70 lakhs with a multy storied hostel building for accommodating more than 200 students. The hostel is fully equipped with modern kitchen, dining hall, prayer hall and reading room. The College has produced a good number of students who are well placed in different walks of life and different parts of the country.
