GOOGLE MEET	

Every year on 11 July the world observes World Population Day with the goal of highlighting the difficulties created by over population and raising awareness about how over population may harm the eco-system and progress of humanity.

In our college Department of Geography in association with NSS and IQAC organized a special talk on "Significance of World Population Day" as a part of organization of the day on 11 July 2021 at 4.00pm. Event was done online through Googlemeet platform.

Sri Basavaraju, NSS program officer, coordinated the programme. Smt. A S Smitha, HOD of Geography was invited to be the main speaker. In her speech she said "the size of a Nation's population has a major impact on its development and operations. Bigger a country's population, the more difficult it is to develop at a faster rate. Reducing over population is essential, whether on a National or global scale to ensure the long term growth of our existing resources.

Professor Umesh, principal in his inaugural address, he said India has the world's second largest populate after China and in present days of the covid-19 pandemic, dealing with such a big population proved difficult, which raised the country's fatality rate. Focusing emphasis on population management is very critical, he added. 68 NSS volunteer took part in the event.

Objective of the event was awaring the college (Government aided and unaided) to do all administrative works and correspondence online under UUCMS.

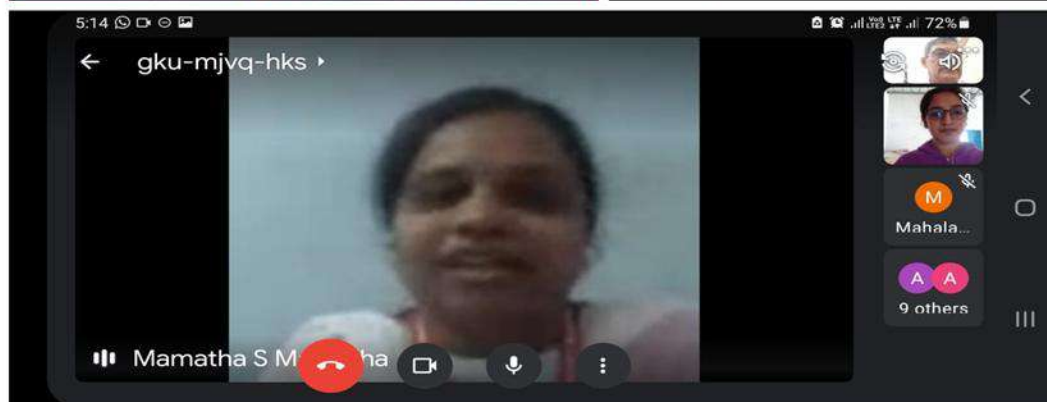

ONLINE SEMINAR ON QUALITIES OF SUCCESSFUL ENTREPRENEUR

Entrepreneurship is an important as innovation for National and global economic growth. "Innovation is essential and we need it, but the real magic starts with entrepreneurs". Entrepreneurs create customers and customers, in turn create jobs and economic growth.

On 14 July 2021 an online seminar on "Qualities of Successful Entrepreneur" was organized by final year BBA students at 4:00 pm. Kum. Kavana presented the paper with the help of PPT. 32 students participated actively in the seminar. Smt. Mamatha HOD of Commerce and Administration was the Mentor - Guide.

Professor Umesha, principal inaugurated the seminar and said "Entrepreneurs are the 'spark - plug' who transform the economic scene of an economy. Japan and UN are developed because of their entrepreneurial development, Bangladesh and Nepal are under-developed because of lack of their entrepreneurial development with entrepreneurs societies prosper, and without them they are poorer. Entrepreneurship is the horse and innovation is the cost, creativity, ideas, discovery, innovation and backbone of Nation's growth.
