CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

As the college is affiliated to University of Mysore, Mysuru, as per Govt. of India, Karnataka State and University of Mysore our institution implemented NEP 2020. The College follows curriculum designed and prescribed by the university for the programmes offered in BA, B Com, BBA and M Com. Periodical changes in syllabi are made by the university. Accordingly the college takes necessary action for its implementation. The faculty members actively participate in the workshops conducted by the university wherein revision of syllabi takes place frequently and communicate the needs and difficulties of the students.

For every academic year, academic calendar is prepared by the college in consultation with the IQAC to ensure effective implementation of curriculum delivery.

The time table committee frames the stream- wise timetable so that each course gets specified number of periods as per the University

guidelines. The Heads of the respective departments finalize the departmental time-table in consultation with their colleagues.

Teaching plan is prepared at the beginning of the semesters. The details of plans are noted down in the academic diary.

At the end of each semester, the syllabus completion report is provided by the faculty which is then communicated to the Principal by the respective Head of the Departments.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

All academic activities are planned and executed as per the academic calendar. The academic calendar is prepared well before the commencement of the academic year as per the academic schedule of the University of Mysore. It comprises of teaching learning schedule (working days), various events to be organised and dates of internal assessment test and semester end examination.

The academic calendar is prepared by the Principal, IQAC Co-ordinator and heads of all departments. It is uploaded to the college website and displayed on the notice board. Only the Principal can incorporate minor changes in academic calendar in case of unforeseen circumstances. Departmental calendar of events is prepared by the respective heads and faculty members.

The institution adheres to the academic calendar for the conduct of CIE through Examination committee which monitors the overall internal assessment process. The internal assessment tests are conducted for students of all programmes. Under CBCS scheme and NEP 2020, two internal assessment tests, (Component-1 and Component-2) are conducted before the completion of eighth and sixteenth week of the semester respectively.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

VISION To transform the college into a reputed institution of higher education, to impart quality education, to earn the status of excellence and autonomy and to be an instrument of empowering rural women.

MISSION

- To sharpen their intellect and broaden the outlook.
- To mark them self reliant responsible citizens.
- To equip them to face modern challenges.
- To mould students to have faith in "Work is Worship".

The College has a clearly defined organizational structure for the optimum and effective decision making and its implementation. It makes an inventory of the available human, intellectual, financial and infrastructural resources and utilizes the same judiciously to achieve the vision and mission of the institution for the development.

The institution not only adopts a participatory approach towards decision making but also provides decentralization of management to facilitate upward, downward and lateral communication for good governance. The effective practicing of decentralization and

participative management can be seen in the institution.

The Principal, the guiding force of the college, along with the faculty and the other stakeholders, including parents, alumni, students and industry remarkably contributes in education and community development

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The decentralization system is administrated in the institution. The major decisions are taken by the Management & policies are framed accordingly for the smooth functioning. These policies are implemented through participative administration. This reflects in the achievements of the institution as a whole. The effective practice of decentralization and participative management is clearly reflected in the admission process adopted by the institution. The College ensures publicity and transparency in the admission process.

In every academic session, committee is formed, and meetings are held under the chairmanship of the Principal. At the time of admission applications are invited and scrutinized by the admission committee headed by Principal, HODs and senior faculty representing different streams. The primary authority is delegated to the convener of the committee for the accomplishment of the objectives.

Faculty members are given representation in various committees. The composition of different committees is changed every year to give exposure to the faculty members in various activities. They are encouraged to develop leadership skills by appointing them as conveners who are in charge of various academic, cocurricular and extra-curricular activities. The non-teaching staff are represented in the IQAC and other committees and their suggestions are considered in framing policies and taking important decisions.

Students also play an important role in conducting different activities. Student representatives are members in the IQAC.

Further, students are allowed to involve in the conduct of academic, sports, cultural and other activities.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The Institution has adopted a strategic plan in providing quality education keeping in view of the vision and mission. The College has a perspective plan for development, based on the master plan comprising goals, objectives and action plans. It includes,

- Teaching and learning
- Research and development
- Community engagement
- Library, ICT and physical infrastructure / Instrumentation
- Human resource planning and development
- Industry interaction
- Curriculum development

The educational strategic plans of the institution are in alignment with the objectives of the institution and these objectives are reflective of vision and mission as stated earlier.

The case study of the strategic plan of the institution implemented in the area of innovative teaching and learning practices is presented as follows:

The institution organizes orientation programmes and workshop by eminent academicians to enhance and update faculty with innovative teaching methodologies and quality learning. The faculty is trained to brace with the use of advanced tools for digital teaching and learning. Workshops are organized periodically to scale up the use of ICT in regular classroom teaching. Lecture capturing system enables the faculty to adapt and deliver online lectures, which could be accessed through online platforms.

Each department executes different student centered teaching-learning methods according to the expected learning outcome of the

curriculum. Some of them are industrial and field visits, internship, street plays, role-plays, participation in seminars, conferences, workshops and poster presentation. Departments also conduct certificate courses to facilitate advanced learning in a specific domain.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The Board of Management formed the Governing Council as per the guidelines for the effective functioning of the institution. It also supports the development of the institution through planning and execution, budget, review of performance and policy making.

The Board of Management is the statutory decision making body of the college. The Governing Council meets twice a year to deliberate on the activities of the college and to review and approve the proposals submitted by the college and IQAC for the development of the institution.

The Governing Council also discusses the academic performances of the faculty and students including result analysis and provides suggestions for improvement. The Governing Council formulates the code of conduct for various stakeholders required for the functioning of the institution from time to time. The Governing Council also functions as the Executive Body of the College to plan strategies and take decisions for the development of the institution. The Governing Council along with IQAC plays an important role in framing policies and executing them.

The Director of the College Education Division is the representative of the Management and provides guidance to the Principal in all administrative, academic and financial matters. The Director acts as the bridge between the management and staff. The Principal, in consultation with the Director, manages the day-

today affairs. As the Head of the Institution he is responsible for the overall administration of the institution.

Both teaching and non teaching staff have to submit filled self appraisal form to the Principal at end of the year. Teachers maintain the records of teaching, examinations, college work, Research and Project to calculate their API score. Based on the above a comprehensive evaluation is done annually. The analysis and suggestions evaluation report and reforms are made accordingly.

Teaching staff - Performance appraisal The institution provides adequate facilities to motivate the teaching staff on the continuous development of skills and leadership qualities. The institution appreciates the staff for good academic results.

It includes the following mechanisms:

- Student feedback
- Peer feedback
- Parents and alumni feedback
- Self-appraisal report by the faculty

Feedback by Students on Teachers' Performance Student feedback is taken in every year to review the performance of staff and necessary appraisal is done. The students provide their confidential feedback on performance of faculty as per the procedures stipulated by the IQAC. A questionnaire based survey is conducted by IQAC to assess the faculty on different performance indices such as communication skill, knowledge base of the

faculty, punctuality, sincerity and commitment, ability to integrate course material with environment and other issues to provide a broader perspective and accessibility of the faculty in and out of the classes. The reports are presented to the Principal for further assessment and action.
